Łukasz Koziorowski

Product Engineer

PROFESSIONAL SUMMARY

Hands-on product designer with 5+ years of experience working across agencies and digital product companies, delivering intuitive, scalable solutions for SaaS, fintech, and data-driven platforms.

I focus on shaping complex systems into clear, usable experiences, collaborating closely with cross-functional teams, and shipping high-impact features at speed. Whether working independently or as part of a broader product organization, I help teams move efficiently without sacrificing quality or user-centric thinking.
